RE: Midlands Utility, Inc.

Dear Mr. Terreni:

Your records will reflect that this firm represents Midlands Utility, Inc., ("Midlands"). Midlands herewith requests to amend its tariff to include language in connection with the pass through of wastewater treatment charges for residential and commercial customers as follows:

Pass thru of Wastewater Treatment Charges for Residential and Commercial Customers
Midlands will also charge for treatment services provided by the government body or agency, or other entity to the affected customers on a pro rata basis, without mark up. Midlands shall provide affected customers an explanation of the increase with the first bill reflecting the increase rate.

Enclosed please find ten (10) copies of Appendix A, schedule of rates and charges for Midlands Utility, Inc. reflecting the proposed amended language (in italics). In as much as the changes are merely textual, no notice is required prior to approval by the Commission.

Midlands has worked very closely with the Office of Regulatory Staff in crafting textual changes and I would advise you that the ORS consents to Midlands request in its entirety. I would invite counsel for the ORS to confirm its consent to Midlands' request. If you or counsel of the ORS have questions, please do not hesitate to contact me.

Sincerely,

Elliott & Elliott, P.A.
